

Aleut Global Solutions Team Receives 2008 Bronze Medal

FOR IMMEDIATE RELEASE

Colorado Springs, CO. (January 23, 2009) – Aleut Global Solutions, LLC (www.aleutglobal.com), is proud to announce that their NOAA team received the 2008 Bronze Medal for their operations located at Fairbanks Command and Data Acquisition Station (NWS Alaska Region).

This award was recently awarded to the NOAA team by William J. Brennan, Ph.D., Acting Administrator and is the highest honor that can be granted by the Under Secretary for Oceans and Atmosphere. The NOAA team recipients will be recognized at a ceremony during the spring of 2009. The team was awarded this prestigious award for developing a replacement Defense Meteorological Satellite Program (DMSP) data capture system that enables Alaskan NWS forecast offices to continue timely and accurate forecasts and warnings.

Aleut Global Solutions, LLC is a SDB company located in Colorado Springs, Colorado and subsidiary to Aleut Management Services, LLC in Colorado Springs, CO. Aleut is a family of companies with large and diverse reach-back capabilities providing IT, communications, base operations support, construction, and a variety of other services to government agencies.
