

## **Aleut Technologies Wins Contract at Naval Activity Puerto Rico**

### **FOR IMMEDIATE RELEASE**

Colorado Springs, CO (April 23, 2010) – Aleut Technologies, LLC ([www.aleuttech.com](http://www.aleuttech.com)) has been awarded a contract by the Base Re-alignment and Closure Commission for \$3.3 Million to support the maintenance of Naval Activity Puerto Rico installation for the next six months.

The AT contract is to manage all base maintenance activities to include grounds, water and wastewater treatment, facility inspection, telecommunications, information technology, base electrical grid and vehicles. “Aleut Technologies looks forward to working closely with BRAC to economically maintain this facility until it is successfully transferred from the U.S. Navy,” said Aleut Technologies President Rod Malloy. Aleut has had a proven, successful, partnership with BRAC since 2006, fulfilling several contracts to maintain this facility.

Aleut Technologies, LLC (AT) is an SDB 8(a) company located in Colorado Springs, Colorado and subsidiary of Aleut Management Services, LLC. Aleut is a family of companies with extensive reach-back capabilities providing IT, communications, base operations support, construction, and a variety of other services to government agencies. The Aleut Family of Companies offers strategic partnerships to its customers through Alaskan Native Corporation benefits and advantages.

Applications for employment may be submitted through the company’s website at [www.aleutmgmt.com](http://www.aleutmgmt.com).
